Amaranthe

You're a hotshot, ten o'clock, ready for the night to rock
Tick tock wakin' me up, time to let it run
The way you walk, talk like you're bad luck and you never wanna stop
Never turn you down, right now I'm getting it onParty's on, let it runYou're in town having fun
'Cause you're looking for chance to run
Let's run, whoa oh
You're the fame, scream my name
Gonna know it now the game is on
Don't stop, whoa ohParty's on, let it run
It's 21Hit the jackpot, gather 'round, this is how we break it down
Hit me once again, 21 is my only friend
The night is young, roulette is going 'round, play my favorite sound
All in on red, the board is set so let me spin it againParty's on, let it runYou're in town having fun
'Cause you're looking for chance to run
Let's run, whoa oh
You're the fame, scream my name
Gonna know it now the game is on
Don't stop, whoa ohParty's on, let it run
It's 21"Yeah, we don't wanna do anything to scare your children
That's the last thing we wanna do
We don't wanna scare anybody"Come along, tag along, we invite you as we bring it on
Feel my heartbeat rising, let's never hit a dead end
Clock has turned 5 a.m. but tomorrow we will get back on
This chance will never come again so drop the micThe party's on, so let it runYou're in town having fun
'Cause you're looking for chance to run
Let's run, whoa oh
You're the fame, scream my name
Gonna know it now the game is on
Don't stop, whoa ohParty's on, let it run
It's 21
