

Here Comes My Baby

The Mavericks

In the midnight moonlight hour
He's walking along that lonely mile
And everytime I do
I keep seeing this picture of you Here comes my baby, here she comes now
And it comes as no surprise to me with another guy
Here comes my baby, here she comes now
Walkin' with a love, with a love that's oh so fine
Never to be mine, no matter how I try You'll never walk alone
And you're forever talkin' on the phone
And I try to call your name
But everytime it comes out the same Here comes my baby, here she comes now
And it comes as no surprise to me with another guy
Well here comes my baby, here she comes now
Walkin' with a love, with a love that's oh so fine
Never to be mine, no matter how I try
