## Orville Stoeber

Open his head, baby  
Youâ€™ll find a heart in it  
(cracked)

Open that heart, Mabel  
Youâ€™ll find a bed in it  
(fact)

Open that bed, Sibyl  
Youâ€™ll find a tart in it  
(wed)

Open that tart, lady  
Youâ€™ll find his mind in it  
(dead)

Whereâ€™s Jack Was?  
General Was  
hero of the Battle of Because  
heâ€™s squatting  
in the middle or remember  
with his rotten old forgotten  
full of why  
(rub-ber-bub)

(bubs)

Whereâ€™s Jim Soon?  
Admiral Soon  
saviour of the Navy of the Moon  
Heâ€™s swooning  
at the bottom of the ocean  
of forever with a never  
in his fly  
(rub-ber-bub)  
bub?  
(bubs)

Whereâ€™s John Big?

Doughgob Big  
past master of the Art of jig-a-jig  
sitting pretty  
on the top of notwithstanding
