Invincible

Muse

Follow through
Make your dreams come true
Don't give up the fight
You will be alright'Cause there's no one
Like you in the universeDon't be afraid
What your mind consumes
You should make a stand
Stand up for what you believeAnd tonight we can truly say
Together we're invincibleDuring the struggle, they will pull us down
But please, please, let's use this chance to turn things around

And tonight we can truly say
Together we're invincibleDo it on your own

It makes no difference to me What you leave behind

What you choose to beAnd whatever they say
Your soul's unbreakableDuring the struggle, they will pull us down
But please, please, let's use this chance to turn things around
And tonight we can truly say

Together we're invincible, together we're invincibleDuring the struggle, they will pull us down
But please, please, let's use this chance to turn things around
And tonight we can truly say
Together we're invincible, together we're invincible
