Before I flip something over
Please can someone stop me[MINJI] I open my closet and
Put on the freshest outfit
The reflection of my face in the mirror
I carefully check it over
Right now it's 8
I'm supposed to meet up at 8:30
Tonight I set out with bold steps[Each girl sang this verse]I am the Best
I am the Best
I am the Best
I am the Best
Th-th-the Best[MINJI] Whoever looks at me can see I'm kind of fabulous
alright
Even if you were me, you'd be envious of this body
alright[BOM] Guys are turning around to look at me
Girls are following me
Being looked down on in the spot
I'm sitting at, every day is tiring[DARA] Pretending to be an athlete, this snobby
Clumsy Playa
Like you're a flat tire
I'll dump you good for people to see[CL] I refuse to be compared
I'm telling you the truth
If we're talking about my value, I'm a
Billion dollar babyPeople who know a thing or two
They all know it so ask them
Grab anyone and ask them
Who is the best[Each girl sang this verse]I am the best
I am the best
I am the best
I am the best[CL] Who? You are better than me?
No no no no na na na na
Who? You are better than me?
No no no no na na na na
Who? You are better than me?
