

Restless Heart

Chuck e. Costa

I don't wanna lose you
I don't want you walking away
We're so good together
Tell me it's forever 'cause I want you to stay
I'll be damned if I'm living without you
And as long as I live, you will know
I just wanna build my world around you
Don't want you to go
Don't leave me here with my restless heart
The one you filled with emotion, baby
Right from the start, 'cause the hardest part
Is being alone with my restless heart
Ooh, with my restless heart
Tell me where you want me anytime I don't care
Tell me when you need me
'Cause baby when you need me
I will be right there
I'll be damned if I'm living without you
And as long as I live, you will know
I will never build a wall around you
And I don't want you to go
Don't leave me here with my restless heart
The one you filled with emotion, baby
Right from the start and the hardest part
Is being alone with my restless
With my restless, with my restless heart
I'll be damned if I'm living without you
And as long as I live, you will know
I just wanna build my world around you
I don't want you to go
Don't leave me here with my restless heart
The one you filled with emotion, baby
Right from the start, 'cause the hardest part
Is being alone with my restless
With my restless
Don't leave me here with my restless heart
The one you filled with emotion, baby
Right from the start, 'cause the hardest part
Is being alone with my restless heart

Don't leave me here with my restless heart
The one you filled with emotion, baby
Right from the start, 'cause the hardest part
