

Your Love Wins

[Marvin Sapp](#)

Sudden tragedy, overwhelming me
Sometimes it's hard to breath (oh my)
Shutting everyone out, even the ones that love me,
But what I didn't realize,
Is I was shutting You out too...
(Oh, but) Then Your Love Came Your Love Came, crashing in, like the waves against the shore
Your Love Wins
I surrender, I'm not running anymore
Your Love Wins
I give up, I surrender to you, Lord
Your Love Wins, Always wins. I thought I couldn't trust nobody, so I spent most of my time alone
Constant calls and messages (oh my), I would never pick up my phone
People would call me and ask me if I was okay
I would say that I was alright
But what they didn't know, is that I was going through, everyday was a fight... oooh
Then Your Love Came Your Love Came, crashing in, like the waves against the shore
Your Love Wins
I surrender, I'm not running anymore
Your Love Wins
I give up, I surrender to you, Lord
Your Love Wins (You've never been defeated)
Always wins. (You're always what I needed) I am finally at my human limit
No future for me, without you in it
Your love's amazing, my heart's been captured again
Your Love wins Your Love is.. Incredible
Your Love is... Unstoppable
You're the greatest, love of all
Your Love Wins
Your Love Wins
(x4) Your Love Wins
Your Love Wins
(x3) Your Love is
Your Love is
You're the greatest, love of all
Your Love Wins
Your Love Wins Your Love Wins
Your Love Wins
