Don't Drag Me Down

One Drop

Children are taught to hate
Parents just couldn't wait
Some are rich and some are poor
Others will just suffer moreHave you ever been ashamed
And felt society try to keep you down?
I begin to watch things change
And see them turn aroundTurn around
They'll try to keep you down
Turn around, turn around
Don't drag me downIgnorance like a gun in hand
Reach out to the promised land
Your history books are full of lies
Media-blitz gonna dry your eyesHave you ever been afraid
And felt society try to keep you down?
I begin to watch things change
And see them turn aroundTurn around
They'll try to keep you down
Turn around, turn around
Don't drag me downIgnorance like a gun in hand
Reach out to the promised land
Your history books are full of lies
Media-blitz gonna dry your eyesYou're eighteen, wanna be a man
Your granddaddy's in the Ku Klux Klan
Taking two steps forward and four steps back
Gonna go to the White House and paint it blackTurn around
They'll try to keep you down
Turn aroundTurn around
They'll try to keep you down
Turn around
Don't drag me down
