

Not Such an Innocent Girl (Sunship Mix)

Victoria Beckham

Oh

Oh oohHey, whoa baby

(not such an innocent girl)First impressions can be wrong

So let me clear what's goin' on

Baby I'm not who you think I am

I need to feel some lips on mine

So I'm pullin' you across the line

You think I'm the fragile one

One slip the damage doneI'm not made of china

I'm not made of glass

Would it shatter your illusions

If this angel had a past?If you touch me I won't break

Don't think of me that way

I'm not such an innocent girl

Don't wrap me up in cotton-wool

Up on a pedestal

I'm not such an innocent girlI've got a secret rose tattoo

I'm dying just to show you

I'm not as shy as you think I am

It's time to take of those kid-gloves

T.K.O. me fall in love

Don't be scared you'll break my heart

I'm not gonna fall apartI'm not made of china

I'm not made of glass

Would it shatter your illusions

If this angel had a past?If you touch me I won't break

Don't think of me that way

I'm not such an innocent girl

Don't wrap me up in cotton-wool

Up on a pedestal

I'm not such an innocent girlIf you touch, if you touch me, I

If you touch me I won't break

If you touch, if you touch me, I

If you touch me I won'tNot such an innocent girl(Ooh no I won't break)If you touch me I won't break

Don't think of me that way

I'm not such an innocent girl

Don't wrap me up (come on) in cotton-wool (who)

Up on a pedestal

I'm not such an innocent girl

(dying just to show you) If you touch me I won't break
I won't break, don't think of me that way
(no, no)
Not such an innocent girl, whoa
I'm not such an innocent girl If you touch me I won't break
Don't think of me that way
I'm not such an innocent girl
Don't wrap me up in cotton-wool
Up on a pedestal
I'm not such an innocent girl If you touch, my world won't fall apart
No you won't break my heart
