

# Citizen Erased

## Muse

Break me in, teach us to cheat  
And to lie, cover up  
What shouldn't be shared  
And the truth's unwinding  
Scraping away at my mind  
Please stop asking me to describe  
For one moment  
I wish you'd hold your stage  
With no feelings at all  
Open-minded  
I'm sure I used to be so free  
Self-expressed, exhausting for all  
To see and to be  
What you want and what you need  
The truth's unwinding  
Scraping away at my mind  
Please stop asking me to describe  
For one moment  
I wish you'd hold your stage  
With no feelings at all  
Open-minded  
I'm sure I used to be so free  
For one moment  
I wish you'd hold your stage  
With no feelings at all  
Open-minded  
I'm sure I used to be so free
