

Priceless

[Tweet](#)

I know you can't afford to buy me fancy cars, clothes, expensive things
That's not what I look for, I'm already rich on the love you bring
No way the price of gold could ever fill my soul or pleasure me
For with you I'm growing old, you owe nothing love is for free It's the little things to you do, why I wanna run
to you
So simple yet so true, you alone, you're priceless Let me tell you this, all it takes is a kiss and I'm on cloud 9
And I don't need no wish, a genie in a bottle no
Ooo none compares to this not a diamond that exist or how it shines (shines)
Cause you look better on my wrist (wrist), a perfect fit forever for all time It's the little things to you do, why I
always run to you
So simple yet so true
You alone, you're priceless
The little things to you do, why I'll always run to you
So simple yet so true
I always run to you
You alone, you're priceless
