Overdose

Doobie

Do me Doobie
Over dose x10
Hehe Doobie Doobie Are you listening? Your talking to yourself, can you hear me?
I I I've been up all night codien and Sprite, thats all I need thats all I need but I really can't kick this habit, kick this ha-kick this habit. Overdose I've been up all night codien and Sprite that's all I need that's all I need that's all I need overdose overdose but I really can't kick this hab overdose overdose this hab it's got me overdose overdose
I'm definitely not dreaming don't know what be I'm hearing or seeing im dizzy can't feel my heart beating I think that I took way to much I'm still feining dont wanna be touched I'd rather be sleeping but my thoughts been keeping me up I've been fighting off demons they won't give it up wish me luck only thing that can save me is Angel dust, angel dust, angel dust. I am so lifted don't be quick to judge I make my own decisions you don't like my image you hate on my vision I think your just ignorant the numbers don't lie won't reply to opinions I think that were all a bunch of addicts if you ask me were all addicted cuz we all need that one thing to function weather we admit it we all depend on something. We all have all have bad habits that we can't get rid of but it is no different than a man that feins for just sex but wants real love and can't stay committed. Now, that's really, that's a real addiction. Especially when all of your life your just trying to find what you've been missing, Doobie.
I I I've been up all night, codien and Sprite that's all I need that all I need, but I really can't kick this habit Kick this ha-kick this habit. I've been up all night codien and Sprite that's all I need that's all I need that's all I need but I really can't kick this hab-kick this hab- it's got me. We all have bad habits that we can't get rid of ahhh a ayyy. We all have bad habits that we can't get rid of ayy ay ayyyy. Overdose overdose overdose. I I I just met Lucy we had a good time her head was a trip man that girl blew my mind I met her through Tony we used to snort lines with his ex she put ex in my drink we had sex that whole night, that whole night was a party. Showed up with Molly I'm married to marry but she cheating on me, im usually friend but latley I'm Saudi Damn.
I I I've been up all night codien and Sprite, thats all I need thats all I need but I really can't kick this habit, kick this ha-kick this habit. Overdose I've been up all night codien and Sprite that's all I need that's all I need that's all I need overdose overdose but I really can't kick this hab overdose overdose this hab it's got me. Overdose x10
