

Africa - Radio Edit

Karl Wolf

[Chorus]

Its gonna take alot to drag me away from you, theres nothing that a 100 men or more could ever do, I bless the
rains down in africa, gonna take some time do do the things we never have

Ohh, ch ch ch ch ch ch ouh!

[Verse 1] (Rapper)

One di chaca (and other dun distigushable rapping) we are the kinging of the place we stay right on this hop for
someone (Un distinguishable)

[Chorus]

Its gonna take alot to drag me away from you, theres nothing that a 100 men or more could ever do, I bless the
rains down in africa, gonna take some time do do the things we never have

Ohh, ch ch ch ch ch ch ouh!

[Verse 2] (Karl)

And as im walking through the subway, all up in everybodys pierced tonight, im following the footsteps, all i
can imagine is that im a guy, You never know maybe shes afraid, that everything around her is so damn vain, i
feel like we've met before, Hurry boy shes waiting!

[Chorus]

Its gonna take alot to drag me away from you, theres nothing that a 100 men or more could ever do, I bless the
rains down in africa, gonna take some time do do the things we never have

Ohh, ch ch ch ch ch ch ouh!

[Verse 3] (Karl)

The sun is rising on the eastside and every former love is waiting now, the feeling of succlousen makes you
wanna dream away or fall in love, she drags wiith out a trace, everything feels like rain, whats wrong with you
dont let her go, hurry boy its waiting!

[Chorus]

Its gonna take alot to drag me away from you, theres nothing that a 100 men or more could ever do, I bless the
rains down in africa, gonna take some time do do the things we never have

Ohh, ch ch ch ch ch ch ouh!

[Bridge]

du bada du bada du bada du bada du bada du bada du baba boo boo bada du bada du bada du bada boo boo
boo, Hurry boy its waiting there for you!

How can i...ohh oh ohhh

[Chorus]

Its gonna take alot to drag me away from you, theres nothing that a 100 men or more could ever do, I bless the
rains down in africa, i bless the rains, i bless the rains down in africa, i bless the rains, i bless the rains down in
africa, i bless the rains down in africa, its gonna take some time to do the things we never have

Ouh
