Visa (feat. Young Troy)

Carnage

Don't let me, don't let me
Don't let me, me, me down
Don't let me, don't let me
Don't let me, me, me down
You will see, you will see
You will see how
You will seeYou will see how I want you bad
See you at my place
She knows I do this for a reason
I want you in the deep end
But I know how to treat you
You're crazy if you think I'd leave you
Baby I am what you need, oh
What you need, oh
But I'd do anything to please her
I'd do anything to please her
Without you, I swear I just freeze up
Let's throw everything on VisaI want you bad
See you
At my place, deep end
You will...
Yeah, yeahYoung Troy, New York with your visa
Young Troy, you a genius
It's too late, too late, I crossed the border, I'm not leavin'
You waited for me, I can't wait to make it home
I act like I don't need you and I know it's wrong
But, I'd never throw your love away
I want you to stay
In the back of my mind, know you'll stay
I'd never throw your love away
I want you to stay
In the back of my mind, know you'll stay
But I'd do anything to please her
I'd do anything to please her
Without you, I swear I just freeze up
Let's throw everything on Visa
I would do anything to please her
We could get away from [?]
We could get away from here, to please herI want you bad

See you
At my place, deep end
You will...
I want you in the...
I want you bad
See you
At my place, deep end
You will...
I want you bad
See you
At my place, deep end
You will...
