

Jealous (feat. TinashÃ©)

Nick Jonas

I don't like the way he's looking at you
â€‹I'm starting to think you want him too
â€‹Am I crazy, â€‹have I lost ya?
â€‹Even though I know you love me, can't help itâ€‹â€‹I turn my chin music up
â€‹And I'm puffing my chest
â€‹I'm getting ready to face you
â€‹You can call me obsessed
â€‹It's not your fault that they hover
â€‹I mean no disrespect
â€‹It's my right to be hellish
â€‹I still get jealousâ€‹'Cause you're too sexy, beautiful
â€‹And everybody wants a taste
â€‹That's why (that's why)
â€‹I still get jealous'Cause you're too sexy, beautiful
â€‹And everybody wants a taste
â€‹That's why (that's why)
â€‹I still get jealousâ€‹I wish you didn't have to post it all
â€‹I wish you'd save a little bit just for me
â€‹Protective or possessive, yeah
â€‹Call it passive or aggressiveâ€‹I turn my cheek music up
â€‹And I'm puffing my chest
â€‹I'm getting ready to face you
â€‹You can call me obsessed
â€‹It's not your fault that they hover
â€‹I mean no disrespect
â€‹It's my right to be hellish
â€‹I still get jealous'Cause you're too sexy, beautiful
â€‹And everybody wants a taste
â€‹That's why (that's why)
â€‹I still get jealous'Cause you're too sexy, beautiful
â€‹And everybody wants a taste
â€‹That's why (that's why)
â€‹I still get jealousâ€‹You're the only one invited
â€‹I said there's no one else for you
â€‹'Cause you know I get excited, yeah
â€‹When you get jealous tooâ€‹I turn my cheek music up
â€‹And I'm puffing my chest
â€‹I'm turning ready to face you
You can call me obsessed

â€‹It's not your fault that they hover
â€‹I mean no disrespect
â€‹It's my right to be hellish
â€‹I still get jealous'Cause you're too sexy, beautiful
â€‹And everybody wants a taste
â€‹That's why (that's why)
â€‹I still get jealous'Cause you're too sexy, beautiful
â€‹And everybody wants a taste
â€‹That's why (that's why)
â€‹I still get jealousâ€‹Oh (that's why)
â€‹I still get jealous
â€‹Oh (that's why)
â€‹I still get jealous
