

Plant a Tree for Tu B'shevat

Debbie Friedman

Letâ€™s dig a hole, letâ€™s dig a hole and plant a seed
Letâ€™s water it, oh letâ€™s water it, cause it is Tu Bishvat

Look at the sprouts, Look at the sprouts, theyâ€™re coming up
Letâ€™s water them, oh letâ€™s water them cause it is Tu Bishvat

Trees are blowing in the wind theyâ€™re blowing
Trees are blowing in the wind
Trees are blowing in the wind theyâ€™re blowing
Trees are blowing in the wind

Look at the leaves, Look at the leaves, theyâ€™re growing now
Letâ€™s water them, oh letâ€™s water them, cause it is Tu Bishvat

Look at the trunk, the trunk is so much bigger now
Letâ€™s water it oh letâ€™s water it cause it is Tu Bishvat

Look at the tree, the tree is so much taller now
Letâ€™s water it, oh letâ€™s water it cause it is Tu Bishvat

Trees are blowing in the wind theyâ€™re blowing
Trees are blowing in the wind
Trees are blowing in the wind theyâ€™re blowing
Trees are blowing in the wind

Just look at me just look at me I am taller now
Donâ€™t water me please donâ€™t water me cause it is Tu Bishvat
Donâ€™t water me please donâ€™t water me cause it is Tu Bishvat
