Gone

Lianne La Havas

When I waited for you there was no show
Made myself believe the untrue
How could I not know
I bet it seemed easier just to lie
But I found you out
This is my last goodbye
I've heard enough fairy tales back in my youth
So just stop biting your nails and take the painful truth
You just look ridiculous in disguise
Yes I found you out
This is my last goodbye'Cause you used to be my life and soul
Keeping everything in tune
What the heck man?
Last time I checked man
We had it all
It was just me and you
So what happened to you
Thought I knew you
No more chances
I'm gone, gone, goneLove is not blind, it's just deaf and it is dumb
So how could I fool myself thinking you were the one
How sad, how undignified
Now I found you out
This is my last goodbye'Cause you used to be my life and soul
Keeping everything in tune
What the heck man?
Last time I checked man
We had it all
It was just me and you
So what happened to you
Thought I knew you
No more chances
I'm gone, gone, gone
Don't wait for me
I'll be gone
'Cause when I waited for you
There was no show
Made myself believe the untrue
How could I not know'Cause you used to be my life and soul

Keeping everything in tune
What the heck man?
Last time I checked man
We had it all
It was just me and you
So what happened to you
Thought I knew you
No more chances
I'm gone and gone and gone and gone'Cause you used to be my life and soul
Keeping everything in tune
What the heck man?
Last time I checked man
We had it all
It was just me and you
So what happened to you
I thought I knew you
No more chances
I'm gone, gone
I'm gone, gone, gone
Ohhhh (Well you did not wait for the last time)
