

Human

Rick Springfield

Come on baby dry your eyes
Wipe your tears
Never wanna see you cry I wouldn't ever try to hurt you
I just needed someone to hold me
To fill the void while you were gone
To fill this space of emptiness I'm only human
Of flesh and blood I'm made
I'm only human
Born to make mistakes So many nights I longed to hold you
So many times I looked and saw your face
Nothing could change the way I feel
No-one else could ever take your place I'm only human
Of flesh and blood I'm made
I'm only human
Born to make mistakes (I am just a man)
Human oh
Human The tears I cry, aren't tears of pain
They're only to hide my guilt and shame
I forgive you now I ask the same of you
While we were apart I was human too I'm only human
Of flesh and blood I'm made
(I am just a man)
I'm only human
Born to make mistakes So many nights I longed to hold you
So many times I looked and saw your face
Nothing could change the way I feel
No-one else could ever take your place Human oh
Human
I'm only human oh
I'm only human
