Helicopter

Tristan Psionic

Isn't it funny
and I'd bet you'd put some money
on that I'm going down
downtown to the B. A, B. A. C

Isn't it fun
how you've got it broken down
to the time that I spent driving on the T. C. A.

You take me up like a helicopter
Then you bring me right back down

You know and I know and everybody knows that
Mag comes how
TJ he don't fly so high anymore
when he comes round, you know, I'm sure he picks it up

You take me up like a helicopter
Then you bring me right back down

You take me up like a helicopter
Then you bring me right back down

I've tried to bring you up to the top of the world
You bring me up, you take me down.

Lower, Higher, Lower
Lower, Higher, Lower
