

Take It From My Eyes

Twin Danger

Take it from my eyes
Is it right
That you'd feel this way
Once you'd seen
So the story goes
And it's gone, gone
Passing with the notes of the song
Take it from my eyes
No surprise
I don't know bout this
But I'll try
I can't give to you unless you give to me
I saved myself for you
I knew from the start we were not to be apart for that long
I, mmmmm
Shame
Tears you apart
Take it from my eyes
No lies
And as lovers do, we'll get by
We will try to find some kind of peace
Lost inside this, first, time
I can't give to you
Unless you give to me too
I can't give to you
Unless you give to me too
