

# Stun Gun

## Dirty Dave Osti

Advisory - the following lyrics contain explicit language:

Can you help me I'm a pagan  
in this land of isolation

I want love,I want life,I want freedom,keep on tryingAs a child I was a servant  
as a young man was still working  
for the kingdom of the steeple

who gave nothing to the peopleYou got one shot take it or not you let it run,  
I won't be one more notch in the butt of your stun gunPut your cards out on the table  
wash your mind of those old old fables  
that's enough rhinestone halo's

read the fine print on the labelYou got one shot take it or not you let it run, you let it run  
I won't be one more notch in the butt of your stun gun

in the butt of your stun gun.now the price is getting higherthrow yourself into the fire  
no more love, no more life, no more freedom, only cryingYou got one shot ready or not let it run, let it run  
I won't be one more notch in the butt of your stun gunYou got one shot ready or not you let it run, gonna let it  
run  
cause I won't be one more notch in the butt of your stun gun  
in the butt of your stun gun.One more notch.
