

After Thought

K'LA

Take all of my worry
And take back all of my words
Before I never learn
Before I never learn That I am not my problems,
I am not my money's worth,
Where I went to school,
Order of my birth And I am not the answer,
I am not the aftermath,
Or picture of the past I didn't know, know, know
I didn't know, know, know
I didn't know Someday on a mountain
I will face all of my fears
Before I disappear But I'll never know, know That one night in the middle
Of my marigolden dreams
I will start to see I didn't know, know, know
I didn't know, know, know
I didn't know, know, know
I didn't know TAKE ME FOR ONLY A MAN!
TAKE ME FOR ONLY A MAN!
TAKE ME FOR ONLY A MAN!
TAKE ME FOR ONLY A MAN!
