

# Let It Snow, Let It Snow, Let It Snow

[Toby Keith](#)

Oh, the weather outside is frightful  
But the fire is so delightful  
And since we've no place to go  
Let it snow, let it snow, let it snow  
It doesn't show signs of stopping  
And I've bought some corn for popping  
The lights are turned way down low  
Let it snow, let it snow, let it snow  
Yeah, when we finally kiss goodnight  
How I hate going out in the storm  
But if you'll really, really hold me tight  
Oh, all the way home I'll be warm  
The fire is slowly dying  
And my dear we're still good-bying  
As long as you love me so  
Let it snow, let it snow, let it snow  
We're done  
And when we finally kiss goodnight  
How I hate going out in the storm  
But if you'll really, really hold me tight  
Honey, all the way home I'll be warm  
Oh, the fire is slowly dying  
And my dear we're still good-bying  
As long as you love me so  
Let it snow, let it snow, let it snow  
Let it snow, let it snow, let it snow
