Gosudaryunia

Marc Almond

Gosudaryunia
Remember we were building the house
Good it was but empty inside
For many years
We were embroidering the snow with silver
Scared of thouching it with poisonFor many years
We would sing till the first light of dawn
Sing but never say it in words
Godsudaryunia
If enemies were what you desired
Who would ever dare to say no
GosudaryuniaSo why's that?
We can't stop drinking this piss
Can't stop daring this dare
Though we were told
Morning would not take it's toll
And the burden not heavy to bare
So maybe not for nothing
All these years building this house
Even if it's empty inside
Because of it
Now we know what silver is like
Let's see what the poison can do
