Live And Let Die

Duffy

When you were young
And your heart was an open book
You used to say live and let live
But if this ever changing world
Which we live in
Makes you give in and cry
Say, live and let die
Live and let die
Say, live and let die
Live and let die, ohh yeah
What does it matter to you?
When you got a job to do
You got to do well
You got to give the other fellow hell

Say, live and let die
Live and let die, ohh yeah
Live and let die
When you were young
And your heart was an open book
You used to say live and let live
But if this world
Which we live in
Makes you cry
Say, live, live and let die
Live and let die
Live and let die, ohh yeah
