I'd Be Lyin'

D-Side

I still remember how your lips felt
And how your kiss melted mine
Oh baby
I still get shills when I hear our song
'cause it takes me back in time
I lie awake and your memory haunts me
I start to shake 'cause it kills me you don't want me[Chorus:]
If I told you that I don't want to hold you
I'd be lyin'
'cause I'm dying for you
If I told you it don't hurt me to see you again
I'd be lyin'
'cause I'm cryin' for youI miss the touch of your body so much
That I'm ready to jump outta my skin
The way you move makes me crazy
I know
That we'll never be together again
If tears me up when I think of your smile, girl
And all the love that's been missin' from my world[Repeat chorus]
I never told you a lie before
And I won't start now, don't know even how
'cause girl I'd be lyin', oh I've bee dyin', I'd be lyin' to you
