Woke Up In the Morning

Carl Thomas

Oh, oh, oh
Yeah, yeah, yeah
Oh, yeah, yeah, yeah
Oh, ooh, yeahWoke up in the morning, you were not there
All I seen was an imprint of your head
In my pillow, weeping willow, why'd I treat you so bad?I shoulda known one day that you'd be gone
You shoulda known one day that I'd be gone
You shoulda known one day that we'd beWhy did you have to be this way?
Baby, all you had to say was that you were sick
And tired of the man I began to beBut you planned a great escape
Bright and early, before I wake
We both knew we had to break
You coulda chose a better wayWoke up in the morning, you were not there
All I seen was an imprint of your head
In my pillow, weeping willow, why'd I treat you so bad?I shoulda known one day that you'd be gone
You shoulda known one day that I'd be gone
You shoulda known one day that we'd beIt was cold the way you left
Still the pain is in my chest
Because in my heart I felt
You shoulda came and talked to meIf you put away your pride
And look deep into my eyes
It woulda been to your surprise
That I got up to apologize but you were goneWoke up in the morning, you were not there
All I seen was an imprint of your head
In my pillow, weeping willow, why'd I treat you so bad?I shoulda known one day that you'd be gone
You shoulda known one day that I'd be gone
You shoulda known one day that we'd beWoke up in the morning, you were not there
All I seen was an imprint of your head
In my pillow, weeping willow, why'd I treat you so bad?I shoulda known one day that you'd be gone
You shoulda known one day that I'd be gone
You shoulda known one day that we'd beOh, I thought we had forever, now it's gone
It's time to carry on
I thought that you made me happyBut it's this thing that's come between us, girl
At one time you were my world
Now it seems it's gone away, it's gone awayWoke up in the morning, you were not there
All I seen was an imprint of your head
In my pillow, weeping willow, why'd I treat you so bad?I shoulda known one day that you'd be gone
You shoulda known one day that I'd be gone
