The Look Of Love

Stan Getz

The look of love is in your eyes
A look your smile can't disguiseThe look of love is saying so much more
Than words could ever say
And what my heart has heard
Well darlin' it takes my breath awayI can hardly wait to hold you
Feel my arms around you
How long I have waited
Waited just to love youNow that I have found you
Don't ever go, don't ever go
I love you soYou've got the look of love
It's on your face
The look that time can't erase
Be mine tonight, shineLet this be just the start of
So many nights like this
Let's take a lovers vow
And baby, we'll seal it with a kissI can hardly wait to hold you
Feel these arms around you
How long I have waited
Waited just to love youNow that I have found you
Don't ever go, don't ever go
I love you so
