

Give Me To You

Newsboys

Who are we?
You gave us Your son as a man
To die for all our freedom
And wash our guilty hands
With Your blood that's enough to purify man
And the love that You gave
It makes me stand and say
I give me to You, all that I am
Your love's enough to change me
You are the One that's making me new
I wanna be used
The cry of my heart is take me
Oh, Lord, I give me to You
It's such a perfect story
You wrote me in Your plan
Of beautiful redemption
And now I understand
That I need You to lead
Forgetting my plans
So I will live like You saved
This prodigal man
Oh, Lord

I give me to You, all that I am
Your love's enough to change me
You are the One that's making me new
I wanna be used
The cry of my heart is take me
Oh, Lord, I give me to You
I give You my mind
I give You my hands
I give You my eyes
Take all I am
I give You my feet
They'll go where You lead
Take all of me
Jesus, take all of me
I give me to You, all that I am
Your love's enough to change me

You are the One that's making me new

I wanna be used

The cry of my heart is take me

Oh, Lord, I give me to You

Oh, Lord, I give me to You
