

# How Many Times?

## The W.a.r.r.i.o.r.s.

Love leave me alone  
I've got troubles of my own  
I do believe that I have paid the price  
For all the things I've said and done  
Every little thing that seemed to go wrong  
How many times  
Will I regret the chances taken?  
And why do I end up  
Always the one who is mistaken?  
Love leave me to sleep  
Let me wallow in my dreams  
See the icy past fade away  
The dawning of a brand new day  
The echoes of the past that still remind me  
How many times  
Will I regret the chances taken?  
And why do I end up  
Always the one who is mistaken?  
How many times  
Will I regret the chances taken?  
And why do I end up  
Always the one who is mistaken?  
How many times  
Will I regret the chances taken?  
And why do I end up  
Always the one who is mistaken?
