

# Butter-Bust Jerky

## Anvil

All I need is a lady  
With more than average size  
She's gotta be a bit crazy  
Won't take no compromise  
If she can fill a "D" cup  
It's good enough to keep me upGet you down on your backside  
I wanna see your wares  
Gonna mount you for a good ride  
Nothing else compares  
Takin' one into each hand  
Do as I commandDoin' the Butter-Bust Jerky  
We're gonna get down and dirty  
Doin' the Butter-Bust Jerky  
And makin' me feel so goodDip your fingers in the butter  
Spread it all across your chest  
In between one another  
You know what I like best  
Push 'em close together  
The tighter the betterDoin' the Butter-Bust Jerky  
We're gonna get down and dirty  
Doin' the Butter-Bust Jerky  
We're gonna get down and dirty  
Doin' the Butter-Bust Jerky  
And makin' me feel so good
