

# On A Night Like This

**Dave Barnes**

On a night like this  
I could fall in love  
I could fall in love with you In this dark so dense  
We talk so soft  
The way young lovers do The days last sight  
Turns to cool nights breeze  
And this love hangs thick like these willow leaves  
I've hid myself away from this  
But your silhouette is the Judas kiss On a night like this  
I could fall in love  
I could fall in love with you
