

# At Last

## Mary Wells

At last, my love has come along  
my lonely days are over, and life is like a song  
At last, the skies above are blue  
My heart was wrapped in clover  
Every since the night I looked at you  
And I found a dream that I could speak to  
A dream to call my own  
I found a thrill to press my cheek to  
A thrill I'd never known  
When you smiled, and then the spell was cast  
And here we are in Heaven, I found my love at last  
I found a dream that I could speak to,  
A dream to call my own  
I found a thrill to press my cheek to  
A thrill like I had never known  
You smiled, when you smiled at me that was how the spell was cast  
And here we are in Heaven  
I found my love at last
