

Heartless Remix

Skepta

You know me im super kool
but nobody can take me for a fool
cause when i start loading up my tool it's where you ask
how could you be so heartless?
how could you be so heartless?
how could you be so heartless?
yo yo why would you do?
it like you want another biggie and 2 pac sinario
i thought you knew that
skepta i get heartless like bushkin and mighty mouth
im 26 now
im partying with some porn star chicks now now
after i give her my kit kat chunky a ez for the twix now
see i came from the block like jenny lopez

and now my whole family have got no stress
i love crusing in my 350z
if its a drive by pass me the moped
You know me im super kool
but nobody can take me for a fool
cause when i start loading up my tool it's where you are.
how could you be so heartless?
how could you be so heartless?
how could you be so heartless?
boy better know thats my click
i know my team are getting paid and you dont like
i used to show off with pinky notes now i just take my card out and i swipe it
aint got time for no
