Contempt for christianity knows no limit
The so - called chosen people can fuck off Brutal treatment - is now unleashed - SBSR
Annihilation - of the christians - SBSR The man who has never been in the clutches
Of a crushing ripper
Can never know what its poison is - its poison is Sirens roars - cruelty impress - SBSR
Bullshit culture - lead them into ruin SBSR Every crossing between two breeds spreads disease
Holiness responsible for lies and weakness We rape your will - dominate with shudder - SBSR
Pillage the prophets - soon nothing will remain - SBSR
