Tell Me Tomorrow

Karyn White

Lately I've seen a change in you
Your touch is not the same
You close the door to all your emotions
I'm left out in the rainYou said that we should go our separate ways
Indecision leads your heart
I could never live in a world without you
And the pain inside is tearin' me apartTell me tomorrow
(Tell me tomorrow)
Don't you break my heart tonight, oh baby
(Tell me tomorrow)
Oh, let's just make believe
This love will never dieMaybe I was holdin' on too tight
I guess I should have known
When you leave, I won't put up a fight, no
If you have to goClose your eyes, take me in your arms
Just the way it used to be, yeah
But before you turn and walk away
Is there a place in your heart that still belongs to me?(Tell me tomorrow)
Tell me
(Tell me tomorrow)
Don't you break my heart tonight, oh, no, no
Tell me tomorrow
Oh baby, let's just make believe
This love will never dieIt's so hard to look in your eyes
And watch all my dreams fade away, ooh baby
Now I've got to be strong enough
To face another day(Tell me tomorrow)
Tell me tomorrow
(Tell me tomorrow)
Don't you break my heart tonight, no
Tell me tomorrow
Hey baby, let's just make believe
This love will never die(Tell me tomorrow)
Ooh, baby
(Tell me tomorrow)
Don't you break my heart, don't you go and break my heart
(Tell me tomorrow)
I really want you, I really need you
Don't wanna say goodbye(Tell me tomorrow)

Tell me tomorrow
(Tell me tomorrow)
Close your eyes, take me in your arms
Just the way it used to be
Is there a place in your heart that still belongs to me, yeah?
(Tell me tomorrow)(Tell me tomorrow)
Don't you break my heart
(Tell me tomorrow)
The pain is tearin' me apart, oh, oh
(Tell me tomorrow)
Ooh, baby
Tell me, I wanna know tonight
