

I Couldn't Keep from Crying

[Marty Robbins](#)

I saw you walking by his side
Heard you whisper all those lies
And I couldn't keep from crying You sang him love songs tenderly
Just the way you sang to me
And I couldn't keep from crying Saw you capture all his charms
As you nestled in his arms
With his pretty words and ways
In your heart, he took my place I stood and watched him steal a kiss
From two lips, I know I'll miss
And I couldn't keep from crying Saw you capture all his charms
As you nestled in his arms
With his pretty words and ways
In your heart, he took my place I stood and watched him steal a kiss
From two lips, I know I'll miss
And I couldn't keep from crying
