

Combat (Explicit)

Flobots

I know how to rip a mike different
I grip it like so
Tight like a kryptonite with a bike pole
Sparks from my lips ignite liquid nitro
No telling if it might blowThe environments' gotta be hotter
Than solder beside the iron
Zinc vitamins
Hide'em inside when i'm writing the rhymes
It's hard to keep property guarded
Because of these piratesI motivate
No debate
We're takin it over
Make no mistake
You're fake and there's no escape
Cuz you got caught
Frozen waitin for the crosswalkI can take it to another level
Where the base is above the treble
And your face is in double
Evasiveness doesn't settle it
A place and a space
Where there's nothing to meddle with
