Animal

Indiana

Release my mind from your grip
Release my name from your lips
Poison, poison
Invaded, invaded
Release my mind from your gripThough my skin is crawling I will wait until the morning breaks
Sunlight is a shield in the light of day when I feel safe
Immersed in water, immersed in dirt
Fathers hold your daughters, I will hold myself instead
Release my mind from your grip (Animal, animal, animal, animal)
Release my name from your lips (Animal, animal, animal, animal)
Poison, poison
Invaded, invaded
Release my mind from your grip (Animal, animal, animal, animal)(Animal, animal, animal, animal...)
You stole my innocence, well you can take it, take it
Possess my body and I still taste it, I still taste it
But I will not be tainted, tainted by an animal, animal, animal, animal
Take itRelease my mind from your grip
Taste it, I still taste it
Release my mind from your grip
Release my name from your lips
Poison, poison
Invaded, invaded
Release my mind from your grip
Animal, animal, animal, animal
