

# Can't Nobody Love You (like I Do)

**Wynonna Judd**

Can't nobody love you like I do  
Not now, no not ever  
There ain't no doubt I know this thing  
We have, could last forever  
Others may promise the stars in the sky  
But sooner or later you'll find  
Can't nobody love you like I do  
Can't nobody hold you quite this close  
All night like I want to  
Baby, put your sweet lips here on mine  
You'll see 'cause I'm gonna show you  
Just how an angel like you should be loved  
I can't feel you enough  
Can't nobody love you like I do  
Can't nobody love you like I do  
Who knows when it's meant to be  
Well, love knows and it sent you to me  
You don't know how I live for the day  
You look at me and you say  
Can't nobody love you like I do  
Can't nobody love you like I do  
Can't nobody love you like I do
