

# Apology

## The Go-Go's

I will find a way to move on  
Discontent had its day the pleasure's gone  
If you ask me to describe what I could want with all I've got  
I'd say good days and thank you's instead of all these question marks'Cause when I found you  
I thought my life was charmed  
And we'd be safe from what  
Has happened now has happened nowApology I'm sorry, apology I'm sorry  
Apology I'm sorry but I have no regretsNo one knows just why I can't stay  
Starting over's alright the end so far away  
I know I seem careless my moods they change like the weather  
So I ask your forgiveness while I pull myself togetherIn the meantime, I live, I work, I wait, I hope  
I still have faith that what was mine can still be mineApology I'm sorry, apology I'm sorry  
Apology I'm sorry but I have no regretsIn the meantime, I live, I work, I wait, I hope  
I still have faith that what was mine can still be mineApology I'm sorry, apology I'm sorry  
Apology I'm sorry but I have no regrets  
You'll be sorry, I'll be sorry, everybody will be sorry
