Forget Forever

Selena Gomz

I told, I told, I told myself again
I'll never runnin' back on what I said
Tryin' not to run but you're so far away, so far away
Listen to the conscience in my head
I'm conscious but I'm lonely halfway dead
Tired of the thing you never, you never said
You never said
[Chorus]Our love was made to rule the world
You came and broke the perfect girl
Our love was made to rule the world
Our love was made to rule the world
You left wanting what we were
Our love was made to rule the world
[Beat break]Forget forever, forget forever

Forget you ever knew my name, my name, my name, my name
I know, I know, I know we can't pretend that we never lovers in the end
I've tired to tell myself that this pain would go away
Just go away
[Chorus]Our love was made to rule the world
You came and broke the perfect girl
Our love was made to rule the world
Our love was made to rule the world,
You left wanting what we were
Our love was made to rule the world
[Beat break]Forget forever, forget forever
Forget you ever knew my name, my name, my name, my name
Forget forever
