

# Forget Forever

Selena Gomez

I told, I told, I told myself again  
I'll never runnin' back on what I said  
Tryin' not to run but you're so far away, so far away  
Listen to the conscience in my head  
I'm conscious but I'm lonely halfway dead  
Tired of the thing you never, you never said  
You never said

[Chorus]Our love was made to rule the world  
You came and broke the perfect girl  
Our love was made to rule the world  
Our love was made to rule the world  
You left wanting what we were  
Our love was made to rule the world  
[Beat break]Forget forever, forget forever

Forget you ever knew my name, my name, my name, my name  
I know, I know, I know we can't pretend that we never lovers in the end  
I've tired to tell myself that this pain would go away  
Just go away

[Chorus]Our love was made to rule the world  
You came and broke the perfect girl  
Our love was made to rule the world  
Our love was made to rule the world,  
You left wanting what we were  
Our love was made to rule the world  
[Beat break]Forget forever, forget forever

Forget you ever knew my name, my name, my name, my name  
Forget forever
