

Anal Cunt

GG Allin

So you're dead and gone, I'll fuck your anal cunt
A lifeless piece of flesh, I'll molest it if I want
You're my feast, your soul has gone away
But your tight anal cunt is what I'll stick it in today
Just another dead fuck, it means nothing to me
Shit on my prick, another bloody treat
Anal cunt, anal cunt, dead to the world
You'll be my fuck boy, you'll be my anal girl
Anal cunt, anal cunt, you're life has gone away
Anal cunt, anal cunt, dead to the world
You'll be my fuck boy, you'll be my anal girl
Anal cunt, anal cunt, you're life has gone away
So what your dead, big fucking deal
Another bloody corpse, for me to make a meal
Nobody cares about you anyway
Your dead anal cunt will be my fuck of fucks today
As you lay on the ground at my feet
I'll rape your dead ass, and I'll penetrate it deep
Anal cunt, anal cunt, dead to the world
You'll be my fuck boy, you'll be my anal girl
Anal cunt, anal cunt, you're life has gone away
Anal cunt, anal cunt, dead to the world
You'll be my fuck boy, you'll be my anal girl
Anal cunt, anal cunt, you're life has gone away
Anal cunt, anal cunt, dead to the world
You'll be my fuck boy, you'll be my anal girl
Anal cunt, anal cunt, you're life has gone away
So your dead and gone, I'll still fuck your anal cunt
A lifeless piece of flesh, I'll molest it if I want
You're my feast and your soul has gone away
But your tight anal cunt will be my fuck of fucks today
Just another fuck, it means nothing to me
Shit on my prick, it's just another bloody treat
Anal cunt, anal cunt, dead to the world
You'll be my fuck boy, you'll be my anal girl
Anal cunt, anal cunt, you're life has gone away
Anal cunt, anal cunt, dead to the world
You'll be my fuck boy, you'll be my anal girl
Anal cunt, anal cunt, you're life has gone away
