Stupid Girl

Screeching Weasel

stupid girl i've had enough of all of
your whining
stupid girl i've heard enough of all of
your crying
don't scream at me and get all mad
he's the one who treats you oh so bad
stupid girl i understand that novody
understands you
stpuid girl just make lemonade from the
lemons he always hands you
why do you have to walk away
listen to these words i gotta say
stpuid girl you brought this on yourself
so shut your mouth
my little stupid girl
stupid girl you're stuck in a rut start
clearing your head out
stupid girl you better wise up and tell
him to get out
when are you finally gonna see
you're so much better off with me
stupid girl you are the one
you are the only girl for me
