A Neverending Dream (Small Town mix)

X-Perience

A neverending dream, a dream of you
I believe I receive a sign of youI am waiting for the night,
Drifting away
On the waves of my dreams
To another day
I am standing on a hill,
And beyond the clouds
The wind is blowing still
And catching my doubtsA neverending dream, a dream of you
I believe I receive a sign of you
Tonight I wanna hide my feelings too
As you do and I wanna be with youI'm hunting on the night,
The slave to my dream
An illustrated scene
Ascends in the steam
We're playing for the fights,
Emotional games,
I'm turning off my eyes
And hiding my shameA neverending dream, a dream of you
I believe I receive a sign of you
Tonight I wanna hide my feelings too
As you do and I wanna be with you(Watching the flowers
Watching the flowers
Watching the flowers
Dying)I'm watching the flowers
Dying away
In heated breath of life
At the dawning day
I am waking up in spring
And kissing your face,
The sweet and burning thing,
I feel your embraceA neverending dream, a dream of you
I believe I receive a sign of you
Tonight I wanna hide my feelings too
As you do and I wanna be with youA neverending dream, a dream of you
I believe I receive a sign of you
Tonight I wanna hide my feelings too
As you do and I wanna be with youI believe I receive a sign of you

As you do and I wanna be with you
