

# Grande Finale (SK Remix)

## Studio Killers

I've been a dirty bastard  
But I will clean my act up  
I wanna stop doing bad  
I wanna meet your mum and dadIt's not an unpretending  
Little happy ending  
This is a Grande Finale  
Rolling snare drums echo  
The rain sounds like applauseI've finally found you  
The one that I've been waiting for  
I've finally found what  
I'd already stopped looking for  
I've been a dirty bastard  
But I will clean my act up  
I wanna stop doing bad
