

Silent Jealousy

X JAPAN

I'M LOOKING FOR YOU
TRYING TO REACH YOUR ROSES
CARRIED AWAY BY THE TIME
seijaku no kyouki ni katame wo
tsubusasete mama

YOU'VE GONE AWAY
FROM THE STAGE LEAVING NO WORDS
THERE'S JUST FAKE TEARS LEFT
isuwari no shinju de kazatta
bara no hanataba wo sagasu

I'M BLIND INSANE
IN THE RED OF SILENCE
NOW I'VE LOST YOUR LOVE
genkaku no ai ni kawareta
ayatsuri ningyo

GET ME ON MY FEET
GET ME BACK TO MYSELF
PRETEND YOU LOVE ME
yubisaki made shinku ni somatta
ore wo mitsumete

moe taekirenai kodoku no SERENADE
kyozou no umi ni nagashite
yume kara sameta chimamire no tenshi wo
mune ni daitemo
I CAN NOT STOP

SILENT JEALOUSY
DON'T YOU LEAVE ME ALONE
kanashimi ni midarete
modorenai ai wo kazaru
kurikaesu kodoku no naka ni

TELL ME TRUE doko ni yukeba
kurushimi wo aiseru
I STILL WANT YOU LOVE ai wo tomete

kurui saku kioku wo keshite

I just wanted to stay with you
I just wanted to feel your breath of grace
I didn't know what to do
I couldn't say anything
when consciousness returned
everything had been washed away
by the tide of time, even you
but the scars of memory never fade away
I can't stop loving you
stop my tears
stop my loving
kill my memories

YOU DYED MY HEART IN BLOOD
NO WAY TO KILL MY SADNESS
tachisaru mae ni koroshite
kyouki no ai ni dakareta hitomi wa
nani mo mienai
ima mo I MISS YOU
CAN'T LIVE WITHOUT YOU

SILENT JEALOUSY yume ni ochite
dakishimeru kioku wo
STAY IN YESTERDAY toki wo tomete
kurikaesu kodoku wo keshite
TAKE ME BACK TO THE MEMORY, TO THE DREAM
SILENT JEALOUSY
DON'T YOU LEAVE ME ALONE
kanashimi ni midarete
KILL ME LOVE
