Breathing you in when I want you out, Finding our truth in a hope of doubt, Lying inside our quiet drama. Wearing your heart like a stolen dream, Opening skies with your broken keys, No one can blind us any longer. We'll run where lights won't chase us, Hide where love can save us, I will never let you go.We'll run where lights won't chase us, Hide where love can save us, I will never let you go.(Instrumental break)Breathing you in when I want you out, Finding our truth in a hope of doubt, Lying inside our quiet drama.(Instrumental break)Breathing you in when I want you out, Finding our truth in a hope of doubt, Lying inside our quiet drama. Hide where love can save us,
I will never let you go.We'll run where lights won't chase us,

Finding our truth in a hope of doubt,
Lying inside our quiet drama.
