

Never Gonna Give You Up

Eternal

All my life it seems my line has been set
And this time I'm gonna play to win
'Coz here you are at my fingertips
Gonna reach right out and pull you in It doesn't matter what you do
I simply gotta make you mine
And even though I cry for you
I could never break the tie It doesn't matter what they say
I just can't get enough
It doesn't matter anyway
I'm never gonna give you up Never gonna give you up
Never gonna give you up
Never gonna give you up
Never gonna let you go Never gonna give you up
Never gonna give you up
Never gonna give you up
Never gonna let you go Never, never, never, never
Never, never, never, never Mama says someday that I'll meet someone
Who will take me away from you
I guess that she just doesn't know about love
There can be no substitute 'Coz what I feel for you is strong
I simply gotta make you mine
I have waited much too long
I can never let this die It doesn't matter what they say
I just can't get enough
It doesn't matter anyway
I'm never gonna give you up Never gonna give you up
Never gonna give you up
Never gonna give you up
Never gonna let you go Never gonna give you up
Never gonna give you up
Never gonna give you up
Never gonna let you go Never, never, never give you up
Never, never
Never, never, never give you up
Never never
Never, yeah All this wanting and frustration I feel
I'm sure I'll pay the price
But I keep my dreams until I make them real
'Coz I know you're worth the sacrifice Never gonna give you up

Never gonna give you up
Never gonna give you up
Never gonna let you goNever gonna give you up
Never gonna give you up
Never gonna give you up
Never gonna let you goNever gonna give you up
Never gonna, never gonna
Never gonna let you goNever gonna give you up
Never gonna, never gonna
Never gonna let you goNever gonna give you up
